TWO-CIRCUIT ACCESSORIES

TR System

(3-wire - two circuit) PLC "2 Circuit track Heads" provide maximum flexibility. Using 2 Circuit track Heads (on a 2 circuit track) offers ability to operate each circuit separately. Suitable for wide range of commercial merchandising and residential applications. All PLC track heads are constructed to fit on one circuit or two circuit "TR" track System.

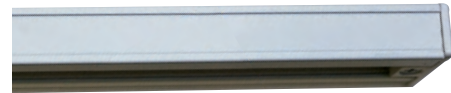

TR248 (2 Circuit 4' track) | BK/WH

Two separate 20 Amp circuit capacities. Tracks include 1 dead end cap & mounting hardware.
